Ref #	Hits	Search Query	DBs	Default Operator	Plurals	Time Stamp
L1	0	(programming adj voltage adj regulator) and (resistive adj divider) and (voltage same reference)	USPAT	OR	OFF	2005/03/08 16:34
S1	140	(resistive same divider same voltage) and (reference same cell same current)	USPAT	OR	OFF	2005/03/07 13:42
S2	4	(resistive same divider same voltage) and (reference same cell same current) and (resistive same divider same (programming or program) same voltage same cell same reference)	USPAT	OR	OFF	2005/03/07 14:05
S3	32	(resistive same divider same voltage) and ((reference adj cell) same current)	USPAT	OR	OFF	2005/03/07 16:34
S4	8	(resistive same divider same voltage same (program or programming)) and ((reference adj cell) same current)	USPAT	OR	OFF	2005/03/08 10:24
S5	11	(resistive same divider same voltage same (program or programming)) and ((reference adj cell))	USPAT	OR	OFF	2005/03/08 16:33
